Workshop 1

Careers in the Life Sciences industry: Where do YOU belong?

11:00 – 12:30 | Venue: Medicinska Föreningen

Hosted by Ana Bernardi, Maria Norber and Priscila Annibal
Hays Recruitment Company

Are you interested in a career in the private sector, do you know how the industry is set and its various functions? The objective of this workshop is to give you an understanding of the various areas you can go into and most importantly to help you find a good fit based on your own skills/personalities. Target group: Students that are interested in a career in the private sector, and more specifically career that are non R&D.

Workshop 2

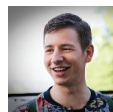

You are here! But where are you going?

13:30 – 15:00 | Venue: Medicinska Föreningen

Hosted by Max Kleijberg and Linda Johansson

Unit for Bioentrepreneurship, Department of learning, Informatics, Management and Ethics, Karolinska Institutet

In this workshop you will be given the opportunity to make a map of your future career possibilities, starting from where you are right now. What do you know? What do you like? What does society need? The answers to these questions can be used to create your future career paths. Does it sound simple? Maybe. But perhaps you will get new perspectives on your future by mapping you current situation and by talking to others about it. Also, you might get some interesting ideas on how to get to where you want to go. Tell us where you are. Your journey is important.

Workshop 3

Your personal brand – Create that all-important, positive first impression using social media.

10:00 – 17:00 | Venue: Aula Medica

Hosted by Barry O'Brien and Andy Foster

Your Career Link and Studio Fotos

Your Career Link has teamed up with the Studio Fotos team, to bring a unique LinkedIn workshop to the CHaSE conference. You will have 15mins, one to one session with a personal coach who will be on hand to help you sign up to LinkedIn and learn the benefits of the professional social network. After the session is completed, you may also have the opportunity to get your professional headshot taken, there and then, creating that all important, positive first impression! Participants wishing to take part should book a time that suits them. For those who would like to have their headshot taken, please dress professionally. For the best headshot avoid wearing bright colours and stripes.

Mingle

17:00 – 18:30 | Venue: Medicinska Föreningen

No registration required. FREE entry.

Companies step away from your tables. Network and reflect. All welcome.

Icebreaker session lead by Erika Rask

In this interactive icebreaker session Erika will lead a conversation on the principles behind networking and why and how we should practice these skills. You will get some real life tips and tricks on how to become a brilliant networker and a good portion of inspiration for the rest of the mingle.

AstraZeneca is a global, innovation-driven biopharmaceutical business that focuses on the discovery, development and commercialisation of prescription medicines, primarily for the treatment of cardiovascular, metabolic, respiratory, inflammation, autoimmune, oncology, infection and neuroscience diseases.

The CHaSE story

A group of students at Karolinska Institutet saw the need for a careers fair introducing the students at KI, and the life sciences and health sector to each other. More than that, they dreamed to create an event that should be interactive, enlightening and fun to visit. Now, after almost a year of hard work, this dream has come true. Welcome to CHaSE!

**Medicinska
Föreningen**

**Karolinska
Institutet**

Medicinska Föreningen is the largest student union at Karolinska Institutet. We monitor all educations at KI to make sure that they keep a high standard and that all students are treated well. We have student representatives in almost all decision making bodies at KI. We are also represented in SSCO, the Central organization for student unions in Stockholm, which main purpose is to influence politicians to make the situation better for students in Stockholm.
