

Careers in Health and Science Exposition 2017

Programme booklet

**Schedule • Participating companies at the career fair
• Workshops • Presentations • more**

**Medicinska
Föreningen**

**Karolinska
Institutet**

Solna, 9th of March 2017

**Dear visitor,
Dear BSc/MSc/PhD student or Post-Doc,**

Are you planning to work outside academia, in Sweden or abroad, in either the healthcare or the life science sector? Would like to learn more about your career opportunities...

researcher in the industry • entrepreneur • consultant • recruiter • physician/nurse/epidemiologist/public health professional in a non-profit organization • science journalist • [+more options than you probably think there are]

... and receive networking advice, tips to start your own start-up, help for your job application, and get in contact with companies?

Then participate at our workshop(s) and/or presentation(s) and walk by the company stands at our career fair- and be welcome to the third edition of the Careers in Health and Science Exposition (CHaSE)!

Take your career one step further today, and CHaSE your dream job!

We hope that you will all enjoy your visit of the CHaSE 2017.

**Kind regards,
your CHaSE 2017 organization committee**

About the CHaSE

What is the CHaSE?

The Careers in Health and Science Exposition (CHaSE) is a student-driven initiative, a career fair with interactive workshops and presentations, taking place on an annual basis, that is organized by Karolinska Institute's medicinal student association- "Medicinska Föreningen". The CHaSE aims at providing BSc/MSc/PhD students and Post-Docs with a background in healthcare or the life science with an overview of the career opportunities that they have and support in their job application. In addition, the CHaSE wishes to offer academic students and workers as well as companies a platform of interaction.

The CHaSE 2017 organization committee:

The CHaSE 2017 organization committee consists of Swedish and international BSc/MSc/PhD students and Post-Docs from Karolinska Institute (KI):

- ▷ Project leader - [Estella Garessus \(MSc, Switzerland\)](#) ;
- ▷ Vice Project leader, Communication Officer and Financial Officer - [Mati Kargren \(BSc, Sweden and Poland\)](#);
- ▷ Marketing Manager - [Xenia Mihai \(MSc, Moldova and Romania\)](#) and [Laura Bartolí \(MSc, Spain\)](#);
- ▷ Logistics Manager - [Suzanna Queckbörner \(PhD, England and Germany\)](#) and [Swapnali Barde \(PhD, India\)](#);
- ▷ Company Relations Manager - [Sharzad Emamikia \(PhD, Sweden and Iran\)](#) and [Rubin Joshi \(PhD, Nepal\)](#) ;
- ▷ Allrounder - [Trixy Fang \(PhD, Singapore\)](#), [Ishrath Ansurudeen \(Post-Doc, India\)](#) and [Sally Abdelmoaty \(Post-Doc, Egypt\)](#).

(FLTR: Xenia, Laura, Estella, Trixy, Suzanna, Rubin, Mati. Missing: Sharzad, Swapnali, Sally, Ishrath. Photographer: Sebastian Höglund)

The organization committee was also supported by the graphic designer - [Tatiana Mihai](#);
 Pictures of the event day are taken by KI MSc student and photographer - [Paula S. Sandrak](#) ;
 The CHaSE 2017 cartoon was drawn by KI PhD student [Pedro Veliça](#) from “Pedromics”

The confused scientist is suddenly faced with the perilous career monster! "FSSSSSSS!" hisses the monster.

"Worry not confused scientist" shouts Sir CHaSE. the knight of career guidance and defeater of the beast.

Networking Essentials

Networking. A competence that will help you in advancing your career. But, how do you actually "network"? How do you come into contact with the people you would like to have contact with and how do you maintain these contacts?

Get useful tips on "how to network" during this presentation. This presentation will be given twice during the event day:

(1) 9.15-9.45 (2) 13.10-13.40

The speaker of this presentation:
Andrew Hennigan.

Description of presentations:

What are recruiters looking for?

What are healthcare and life science companies looking for when trying to employ a new person? How can applicants stand out and be invited for a job interview? How does the job application process work?

Within this presentation, recruiters from industry

are going to tell you everything about the do's and don'ts in the job application process.

Stockholm based healthcare/science start-ups

Have you ever wondered how it is to work at a start-up company? Would you like to learn more about the challenges that start-ups have to face? Learn first-hand from people who have "started-up" their own company what experiences they have made.

Meet our successful KI alumni

Karolinska Institute alumni share their experience of working outside academia and the transfer from academia to industry. [visit our website for more information about the speakers]

Description of presentations:

Working for a non-profit organization

Would you like to learn more about career options for healthcare (e.g. medicine, dentistry, nursing and public health) students and graduates at a non-profit organization? Then don't miss the opportunity to attend this presentation! The "Red Cross" and "Doctors Without Borders" will provide this presentation.

Médecins Sans Frontières provides assistance to populations in distress, to victims of natural or man-made disasters and to victims of armed conflict. We do so irrespective of gender, race, religion, creed or political convictions. o the maintenance and promotion of human dignity and peace in the world.

Join the world's largest humanitarian network. The Red Cross and Red Crescent Movement helps those facing disaster, conflict, health and social problems. The movement is made up of nearly 100 million members, volunteers and supporters, working to prevent and alleviate human suffering, and thereby contributing to

Description of workshops:

How to start a start-up

Are you thinking about starting a start-up in your future? Register for this workshop if you want to get some valuable tips! This workshop will be provided by Venture Cup.

Working as a management consultant with Boston Consulting Group

This workshop is only available to selected PhD students [application deadline was on the 14th of February].

Working as a management consultant – interactive workshop with BCG" is a unique opportunity for PhD candidates to get to know BCG and management consulting before taking your next career step. This workshop will give you a better understanding of what management consulting is all about. It will answer questions on what it is like to transition from academia to business, what a day in the consulting life looks like, and how management consultants with PhDs from diverse backgrounds can help solve problems in different industries. You will have the opportunity to meet consultants with scientific backgrounds and experience how our work daily work looks like through a case study.

Need some help?

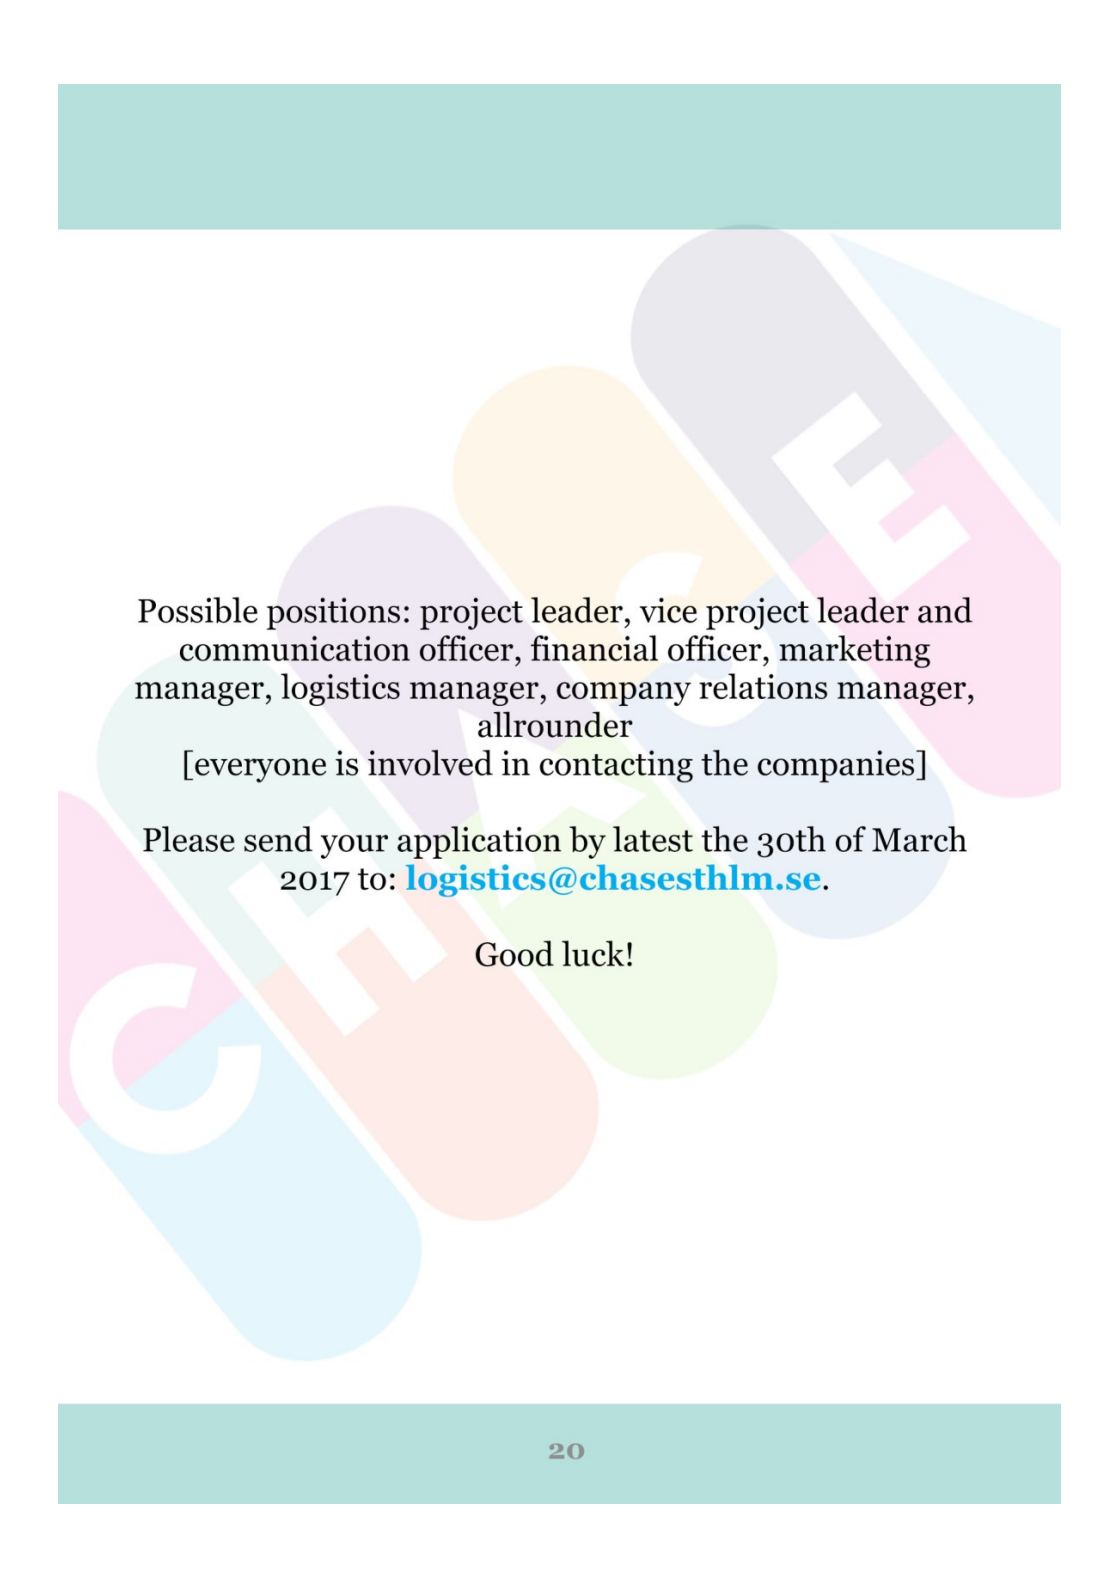

Ask our volunteers- the people wearing white T-shirts with the CHaSE logo on it. They are happy to help you!

Would you like to become part of the CHaSE 2018 organization committee?

From today, the CHaSE 2017 organization committee, in collaboration with the Medicinska Föreningen's Business Committee, is looking for new CHaSE team members! Organizing the CHaSE is a very challenging but rewarding experience; Not only do you learn how to organize a large-scale event and to collaborate with team members with different backgrounds, but you also get in contact with company representatives from Sweden and abroad, collaborate with many different organizations at Karolinska Institute and last but not least- find new friends in your fellow team members.

In case you would like to apply as a new CHaSE team member, please send your (1) CV and (2) a motivation letter (max 2 pages) including information on:

- *who you are*
- *why do you want to become a CHaSE team member?*
- *why should we select you as a new team member?*
- *what suggestions for improvement of the CHaSE event do you have?*
- *which position would you like to have?*
- *are you planning to go on exchange or to defend your PhD thesis within the next 12 months?*

Possible positions: project leader, vice project leader and communication officer, financial officer, marketing manager, logistics manager, company relations manager, allrounder

[everyone is involved in contacting the companies]

Please send your application by latest the 30th of March 2017 to: logistics@chasesthlm.se.

Good luck!
